

The Honorable Richard A. Jones

UNITED STATES DISTRICT COURT FOR THE
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

EPHRAIM ROSENBERG,

Defendant.

NO. CR20-151RAJ

UNOPPOSED MOTION TO SEAL

Noting date: June 25, 2021

The United States of America, by and through Tessa M. Gorman, Acting United States Attorney for the Western District of Washington, and undersigned counsel, files this motion respectfully requesting that the Pretrial Petition and Order (Dkt. #81), in the above-captioned matter, be filed under seal and remain under seal.

On June 17, 2021, a petition and order modifying the terms of Defendant's pretrial bond appeared on the docket. That filing, prepared by the U.S. Pretrial & Probation Office, included, among other things, the name of "Person-1," a potential witness who was the recipient of a perceived threatening message. Person-1 is not a charged defendant, nor is Person-1 a target of the criminal investigation. The filing reveals personal information about Person-1, evidenced by the fact that at least one media outlet found additional information on-line about Person 1 and attempted to contact Person-1 directly.

1 Accordingly, the United States respectfully requests that the Pretrial Petition and
2 Order (Dkt. #81), in the above-captioned matter, be filed under seal and remain under
3 seal. Defendant, through counsel, does not oppose this request for sealing.

4 Alternatively, the United States requests that a redacted version of the Pretrial
5 Petition and Order (Dkt. #81), redacting the name and identifying information of
6 Person-1, be filed on the docket.

7 DATED this 25th day of June, 2021.

8
9 Respectfully submitted,

10 TESSA M. GORMAN
11 Acting United States Attorney
